About Me

I am currently a 2nd year student at SETU Carlow, studying Computing in Interactive Digital Art and Design. With this degree I hope to obtain a career in Animation. I have worked in the Hospitality, Retail and Manufacturing sectors. My current job is a waiter at Eddie Rockets Carlow; I also am a volunteer at Visual Carlow. I am looking to take the skills I have learned from College, Animation, Programming, Project Management and apply them to the working world. In my free time I enjoy going to the gym, drawing, running, cooking and generally keeping busy

Technical Skills

- **C++:** The programming language we used in 1st year, for the Modules Introduction to Programming and Introduction to Object Orientated Programming I obtained a distinction in Introduction to Object Orientated Programming, scoring 73%.
- **Adobe:** Adobe software is very prominent in my college course; it has been used in “Introduction to 2D Digital Art” “Concept Art for Games” and “Animation Principles”
- **Maya:** We are currently using Maya to create 3D Models in “Introduction to 3D Digital Art”
- **HTML, CSS and JavaScript:** These web-based languages were used in “Human Computer Interaction, Interaction Design and User Interface Programming. I achieved 2 distinctions with these languages, in the modules “Human Computer Interaction” scoring 80% and Interaction Design, scoring 76%.
